## Family Educational Rights and Privacy Act (FERPA) Consent Form

---

The Family Educational Rights and Privacy Act (FERPA) gives parents and students over 18 years of age (“eligible students”) certain rights regarding the student’s education records. One of those rights is the right to consent to disclosures of personally identifiable information contained in the student’s education records.

Kaplan Academy of Idaho and its designated curriculum provider, Kaplan Virtual Education (KVE), have found that to best serve the student’s education needs, it is necessary to disclose a student’s name and address to the following classes of vendors that provide important services related to a student’s education. In all cases, these vendors will have agreed to ensure the confidentiality of the student’s name and address and to not use the information for purposes other than that contracted to meet the student’s education needs.

- Suppliers of educational materials for purposes of shipping to and from the student’s home
- Customer care providers that handle support calls for KVE
- Internet service provider
- Companies that enter the student information into a computer database for use by school officials
- Speakers or presenters presenting or participating in synchronous Web-conferencing sessions
- Computer professionals that host and maintain KVE’s student account management systems
- Other contractors and subcontractors that Kaplan Academy of Idaho and/or KVE identify as necessary to providing education services

To best serve the student, Kaplan Academy of Idaho requests the following parental consent to disclose the student’s name and address to the specified class of contractors.

I hereby agree that my student’s name, address, and other information as necessary, be provided to the above identified contractors to ensure that Kaplan Academy of Idaho can best meet my student’s education needs.
